Dear Parents/Carers,

Year 5 'Wonder Dome' Experience

We are excited to announce that **'Wonder Dome'** will be visiting our school on **Thursday, 7th January 2027**! Wonder Dome will be setting up a planetarium in school, giving the children an incredible opportunity to step inside and take a virtual trip into space.
This experience will link directly to our Space topic in Science. During their visit, the children will:

- Orbit the planets alongside astronauts who live and work in space, helping them understand more about human life in space and the effects it has on both the mind and body.
- Learn about each planet in our solar system and discover what makes each one unique.

This immersive experience will be both educational and inspiring, helping the children bring their science learning to life.

The cost for this experience is **£5.65 per child**. Please ensure that payment is made via ParentPay by **Friday, 18th December 2026**.

We are looking forward to an amazing day exploring the wonders of space!

Yours Sincerely,

L. Grayland

Miss L Grayland
Year 5 Lead
